

Admissions/ Pricing/Absence Policy

At **Rothersthorpe Nursery Ltd** we care for **55** children between the ages of 3 months and 11 years. The number and age of children admitted comply with legal space requirements as set out in the Early Years Foundation Stage (EYFS). Admissions are carefully considered with regard to staff-to-child ratios and the available facilities.

Admissions Criteria:

The nursery will use the following admission criteria which is applied in the following order of priority:

1. Looked after children
2. A child known by the local authority to have special educational needs and/or a disability (SEND) and whose needs can be best met at the preferred nursery
1. A vulnerable child with either a Child Protection or a Child in Need Plan or, or in receipt of other local authority support
2. Children who have siblings already attending the nursery.
3. Children whose parents or carers live within the local area.

A child requiring a full-time place may be prioritised over those requesting a part-time place. This is dependent upon work commitments, occupancy and room availability. We operate a waiting list, and places are offered as they become available.

We are committed to promoting inclusion, diversity and equality, ensuring that all children have equal access to nursery places and services regardless of their gender, race, disability, religion or belief, or the sexual orientation of their parents.

Before a child begins attending the nursery, parents/carers are required to complete and sign both a registration form and a contract. These documents collect essential personal information about the child, such as their name, date of birth, home address, emergency contacts, parental/carer responsibilities and contact details, dietary needs, collection arrangements, session details and fees. Additional information includes the child's doctor and health visitor details, known allergies, parental/carer consents, and vaccination history.

Nursery Closures and Fees Policy:

In the event of extreme weather conditions, the nursery may need to close. While fees are non-refundable in such circumstances, alternative sessions will be offered where availability allows. Please check local radio announcements or contact the nursery via email to confirm any closures.

The nursery will be closed on all UK Bank Holidays and will close at 4:00pm on Christmas Eve. Sessions that fall during these closure periods are not transferable.

Should the nursery be required to close due to circumstances beyond our control—or if, in our reasonable judgement, closure is necessary in the best interest of the children—we reserve the right to do so. Please note that business interruption insurance does not cover such closures. In these instances, a retainer fee of 25% of your regular monthly charge will be applied. This enables us to retain your child's place and support ongoing essential overhead costs. Examples of such closures may include, but are not limited to, severe weather events, outbreaks of flu, swine flu, COVID-19, or other epidemics or pandemics.

Nursery fees are reviewed annually to ensure we are providing a high-quality affordable service for all our families.

Absence Policy for Funded Children

At our setting, we support WNC's belief that **good attendance habits developed in the early years are essential for promoting future school attendance, wellbeing, and safeguarding.** Regular attendance also ensures that children gain the full benefit of their early education experience.

We ask that parents/carers inform us **in writing or by phone** about any absences. We have procedures in place for following up with parents/carers to confirm the reason for any unexplained absences, in line with our safeguarding responsibilities.

Funding information for childcare providers

When a child is eligible to receive the funded entitlement, the parent will need to complete a parental contract form. Once completed, the data is sent to WNC to be processed and cannot be altered until the following term.

Parent/Carer Contract Declaration

- I accept and understand the following points: I am NOT able to change my child's funded place during the funding block without giving the Early Education and Childcare Provider full notice as detailed in their Admissions Policy up to a maximum of 4 weeks. I understand that if I do, the funding available for my new Early Education and Childcare Provider may be affected.
- I am unable to claim more than the maximum hours available for each funding block and this has been explained to me by my Early Education and Childcare Provider.
- I understand that if my child who may be either 9 months or 2-year-old receiving working entitlements, is no longer eligible after the grace period I will not be eligible for funded working entitlements and therefore would need to pay for my childcare cost directly to the provider.
- If my eligibility for 9 months to 4-year-old working family entitlements, funded place ends, I will continue to receive funding for the 'grace period' at this Early Education and Childcare Provider only. After which I will only be entitled to Universal funded entitlement.
- I should not be charged for the funded hours in advance or be expected to pay any top up fees for my child's funded place.
- I have seen, agreed and signed a contract with my Early Education and Childcare Provider that details any additional costs I may be charged.
- I agree that the information I have provided will be shared with Early Education and Childcare Team, other local authorities if required, Early Education and Childcare Providers and the Department for Education who will access information from other government departments to confirm my child's eligibility and enable the named Early Education and Childcare Provider to claim funding.
- I agree that this Parent/Carer Contract must be signed at the beginning of each Funding Block to confirm the information correct. If the information has changed a new Parent/Carer Contract must be completed and signed by my Early Education and Childcare Provider.
- I confirm that my child will use the hours I have signed for on this Parent/Carer Contract. I understand that I am able to claim maximum 10 working days single absence and I am only able to claim a maximum of 30 days absence in my child's funded year and I will inform my Early Education and Childcare Provider of any absence.
- I understand that any false or incorrect information could lead to the funding for my child being removed.
- I confirm that the details I have given on this Parent/Carer Contract are correct to the best of my knowledge.
- **I agree if the nursery is unable to claim funding due to issues like (eg parents update the code in the grace period which will create new code and new dates) this will result in nursery not being**

able to claim the funding for that term. The parents will be invoiced for any hours not paid for funding, and failure to pay this would result in your child's place being cancelled.

- If you have any questions about these terms and conditions, please contact us within 24 hours via an email.
